### The Intuitive Conscious Leader's Qualities Check List

**Here's a list of qualities. Check the ones you have already or do and circle ones you need to develop**

- Listen and are guided by their intuition/gut instincts
- Follow their heart/intuition – no matter what anyone says
- May be ahead of their time
- Speak their truth in appropriate healthy ways
- Are willing to grow, and are open to new ideas and possibilities
- Open to feedback and suggestions and then ultimately tune into their gut
- Work on clearing and healing their issues and the parts that still need healing
- Because they are willing to clear whatever blocks they may have, they become clear channels for the Divine and take action accordingly.
- Live and lead with integrity
- Honor their own truth when it's for the greater good
- Take care of themselves in healthy balanced ways
- Are able to set boundaries and are flexible when they need to be
- They are flexible and adaptable when need to be
- Have a vision and take the necessary steps to accomplish that vision
- Are a role model for others
- Being authentic as they lead

\_\_\_\_\_ They are confident, secure, have healthy self-love, and no matter what anyone else says or think they allow themselves to be true to their heart's truth.

\_\_\_\_\_ Are deeply connected to the higher parts of themselves and the Divine and are spiritual in their own way

\_\_\_\_\_ Have the courage to be who they are no matter what and courageously take the risks they are being guided to take when guided by their intuition.
